

GSH GALVANIZED STORM HANGER

Materials: Galvanized Steel

Dimensions:
Designed for 1 $\frac{1}{8}$ " thick sash

GSH A Galvanized Storm Sash Hanger

Our classically styled non-corroding galvanized steel storm window sash hangers have been designed for either flush or surface mounting of traditional storm and/or screen sash. Corrosion resistance is especially important when your home is situated in a seaside environment.

Spec as: GSH A, GSH B or GSH C
